

Dear Parents and Friends,

It has become the tradition at the OV Elementary School that students seek information about our community veterans and those who are actively serving in the military. This has been a positive experience for our students as they reach out to those who have served. We also welcome information on relatives and friends not in the area or who may be deceased. We are asking for your support again this year as we gather information for our elementary showcases dedicated to honoring Veterans Day.

Please help your child complete the information and return it by **Friday, October 28, 2022.** *If you have filled this form out in the past, we already have the information on file.*

Thank you!

Name of Veteran _____
First M.I. Last

Service _____ Dates _____
Year to Year

Special Duties _____

Special Awards or Recognitions _____

Student Name _____

Relationship to Veteran _____
