Oswayo Valley School District Community,

I am incredibly honored and excited to be joining the Oswayo Valley School District as your new Superintendent. It is a privilege to be selected to serve in this role, and I want to express my sincere gratitude to the school board, staff, and community for trusting me with this important responsibility.

As I begin this journey, I am eager to get to know each of you—students, parents, teachers, and community members. I firmly believe that strong partnerships are the key to achieving the best outcomes for our students. Together, we will work to create a supportive, welcoming, and enriching environment where every student can succeed and feel valued.

I am passionate about making a positive difference in the lives of our students. Their growth, both academically and personally, is my top priority. I look forward to collaborating with all of you as we work toward building a brighter future for our young people, one where they have every opportunity to reach their fullest potential.

The future of Oswayo Valley is full of exciting possibilities, and I am excited to be part of the great work that lies ahead. Together, we will accomplish wonderful and meaningful things for our students, our schools, and our community.

Thank you again for this opportunity. I look forward to meeting many of you in the days ahead and working closely with all of you to make Oswayo Valley an even better place for our students to grow, learn, and succeed.

Sincerely,

Glenn F. Smith Jr.
